PAYMENT

17. **Q: What will I be charged when I enroll?**

A: When you enroll, you will pay an enrollment fee, the first month’s fee, and you’ll prepay the second month’s fee, plus any applicable taxes. Fees will vary based on fitness center selection. Additional fees for some fitness centers may apply but will be clearly communicated prior to payment. Going forward, your credit card on file will be charged your monthly fee plus applicable taxes on the same date each month, which will prepay the next month’s fee. If you choose to enroll a spouse/domestic partner, their membership fees will be included on your invoice as well. You can access your invoices in your Active&Fit Direct online account.

18. **Q: When are my monthly payments charged?**

A: Your recurring monthly fees are charged on the same date each month as your enrollment date, starting the month after you enroll. Each recurring monthly fee is a prepayment for the next month. If you enroll on the 12th of the month, your payment date each month will be on the 12th of the month. Please note, if you enroll on the last day of the month, for example the 31st, your payment date will be the last day of each month.

19. Q: How do I read my invoice?

A: On your invoice, you may see one or more of the following descriptions. Not all line items will appear on each invoice.

“Active&Fit Direct Program.” This line represents features that are included with the Active&Fit Direct program including digital workout videos, activity tracking, etc. There is no additional charge for these features once you have a fitness center membership.

“Next Month’s Fee.” Fitness center memberships are billed one month in advance, so this line item shows the amount you are paying for next month. It includes applicable taxes.

“Enrollment Fee.” This line item shows that you have paid your initial enrollment fee, plus applicable taxes.

“Current Month’s Fee.” This line item shows the amount you are paying for the current month’s membership. It includes applicable taxes.

Here’s an example of an initial invoice if you selected a Standard Membership:

- You join the program on September 12th. You would see an invoice charging you \$75 total, plus applicable taxes.
- \$25 covers NEXT month’s membership fees (October 1st – 31st).
- \$25 covers the enrollment fee.
- \$25 covers THIS month’s membership fees (September 1st – 30th).
- Your original enrollment date (12th) will become your recurring billing date each month.
- Since memberships are billed one month in advance, your next charge would be on October 12 to cover your November membership.

20. Q: Do I ever have to pay a fitness center directly for anything?

A: Under your Active&Fit Direct membership, you are eligible for a Standard or Premium membership at any of our 16,000+ participating fitness centers nationwide. You pay your Active&Fit Direct enrollment and membership fees initially and then monthly to the Active&Fit Direct program. If you decide to change fitness locations, additional fees may apply when selecting a Premium fitness membership location. All enrollment fees and monthly fees will be applied to your Active&Fit Direct account.

21. Q: I’ve received a promo code. How do I use it?

A: On the Active&Fit Direct website, select your favorite fitness center. After you create an account and agree to the terms, you’ll be directed to review your selections and all applicable fees before entering your credit card for payment. You must enter your credit card information before you can apply the promo code. Enter your promo code in the designated box and click “Apply.” Please note: Promo codes are case-sensitive and must be entered exactly as provided. Promo codes can only be used for the Standard fitness centers at this time.

23. Q: Will my spouse/domestic partner pay their own membership fees?

A: No, the primary account holder is responsible for the membership fees of their spouse/domestic partner.

24. Q: What if my spouse/domestic partner would like to switch fitness centers?

33. Q: Can I continue to use my existing fitness center?

A: If your fitness center is part of the Active&Fit Direct network of 16,000+ fitness centers, then yes, your fitness center will allow you to cancel or suspend current memberships, so you may enroll in the Active&Fit Direct program at no penalty. 34. Q: How can I nominate a fitness center that I would like to become part of the Active&Fit Direct network?

35. Q: What if I have a complaint against a fitness center?

A: Please use "Contact Us" on the Active&Fit Direct website. We'll review the complaint and follow up accordingly—methods of follow-up may include inquiry letters, site visits, or secret shopper calls. We'll circle back with you on your complaint.
